A word from our Principal

It's been a busy couple of weeks since the last newsletter. It's great to get back to some whole school activities again.

Literacy & Numeracy Week was a big success. The dress-up day last Wednesday was spectacular. It was great to see many parents at the parade. The staff also got into the spirit and dressed in teams.

The 5/6 Camp was a long time coming but worth the wait. The kids had an awesome time and came home exhausted. The staff did a great job both behind the scenes in preparation and then by attending.

The 3/4 Camp is currently underway. I hope they have just as much success as the 5/6s.

The Year 2 Day Camp was also a highly anticipated event that took place this week. For these children, it was their first time on a bus due to previous Covid restrictions.

The Trivia night planned for Friday next week (9th September) is sure to be a great event. We have live music, karaoke, games, dancing, prizes and silent auctions. This is the first time we have used the gym for a social event. We are all looking forward to having a great night. Thank again to anyone who made donations, sponsored or helped out in any way.

Student Achievements:

Alex.Z (SDG) had a weekend of winning Flute trophies. Well done Alex

Dylan.G (SMT) represented Banyule ps in Basketball and made it all the way to the State Team. Well done Dylan.

DYLAN G

KOBE S

TANNER S

Koby.S (MCN) and Tanner.S (2KB) also represented Banyule ps in a Mountain Bike competition at Haunted Hills with Kobe coming in 2nd place (U11) and Tanner in 4th place (U9) Well done boys.

The annual parent surveys are now underway. If your family was chosen by DET to complete the 2022 survey, congratulations! The last day for the survey is September 16th (last day of term 3)

Congratulations to Danni Christofis and her family on the safe and happy arrival of their son, Orlando George, born on August 24th. All are doing well.

Colour Run: The Colour Run fundraiser was launched at assembly this week. This is a great opportunity for the kids (and families) to raise funds for our new anticipated playground. Funds are raised via sponsorships. Prizes are awarded in a variety of categories. The actual Colour Run will be on **Friday 21st October**. Details were sent home this week and we will continue to remind families as we head to this exciting event.

Building update: The builders are hoping to lay the slab for the new administration building in the next few days. All we need is a few days of nice weather! They are also working on building three new toilets near the art room so that will be convenient for children who like to play at that end of the yard.

BANYULE AWARDS

The following students have received a Banyule Award for demonstrating our school's social and learner values.

CLASS	STUDENT NAME	CLASS	STUDENT NAME
PRB	Floyd B	MLH	Aria Y
PAM	Manu B Ava D (STEAM)	MMW	Lucy W

Literacy and Numeracy Week 2022

Year 2 Day Camp

On Monday the 29th of August the year 2's headed off to Camp Sunnystones. We had the best day despite the rain and mud! We participated in lots of different activities including low ropes, bush cooking, bush craft and hut building. We all had pasta and ice cream for dinner before heading back to school on the bus! We had the BEST day!

Numeracy at home

Fun numeracy activities to share at home with your child in Prep-Year 2

Cooking

- Talk about the recipe and ingredients using terms like more, less and how many
- Count the pieces of food for each person
- Set the table
- Ask children to estimate or calculate while cooking
- Prepare and share out food

Are we there yet?

- Mark important dates on a calendar
- Discuss what time you should start getting ready
- Time how long it takes to travel to different locations
- Estimate how long it takes you to: brush your teeth, drive to the shops, get dressed, jump up and down 10 times etc.
- Investigate how long it is to your children's birthdays (in months, weeks, days or hours)
- List your daily schedule. What time do you get up? What time do you go to school?

Reading

Children's literature is a perfect way to incorporate mathematics. Stories may include timelines, maps, problem-solving, geometry, chance and measurement:

- Highlight everyday words "under", "over", "between", "around", "behind", "up", "down", "heavy", "light", "round", "circle", "yesterday", "tomorrow" in books you read
- Conduct a shape and number search when reading a book
- Highlight numbers in the story – count objects, the number of pages and look at the page numbers
- Roll the dice to find out how many books (or chapters) you read with your child before bed

Shopping

When shopping, engage children in some of the following experiences:

- Ask, "What shapes can you find?"
- Guess the total number of items in your supermarket trolley
- Estimate and weigh the fruit and vegetables
- Compare a range of different prices to determine which is the most or least expensive
- Use cash to provide your child with the experience of receiving and counting the change
- Estimate how many bags you will need to carry your groceries
- Notice shapes and use mathematics vocabulary (rectangular prisms instead of boxes)

Out and About

- Play "I Spy" with a mathematics focus; e.g., something rectangular and red
- Go on a numeracy walk to look for numbers or shapes, to count objects, compare sizes of objects and look for patterns in your environment. Ask your child to decide what you will look for
- Measure everything! How far can you jump? How long is the desk? How tall are you? How tall is the dog?
- Find and read large numbers in your local environment, e.g. house numbers, number plates

Have children:

- Find shapes and patterns in your house, garden or neighbourhood
- List and explore places you find patterns; Sort the washing, identifying pairs, colours and owners then counting to find who had more washing
- Count; e.g. the number of steps to the car, the number of forks on the table, the number of grapes on your plate. And, when you're ready, skip count by twos
- Collect coins in a jar: Sort them into groups
- Read information displays: e.g. traffic signs and signals, clocks and timers, maps, dials, graphs, meters, speedometer, and odometers.

Games

- Build with blocks
- Thread beads to make and explore patterns
- Fold and cut out paper shapes
- Play guess and check games – how many beans, buttons, pegs in the container?
- Work together on jigsaw puzzles and discuss your method: e.g., Collect the pieces with straight edges
- Play card games; e.g., Snap, Go Fish
- Play games: e.g., Hop-Scotch, Snakes and Ladders, Connect 4, Noughts and Crosses, Checkers

NUMERACY at BANYULE- YEAR 3/4

In our Year 3/4 classrooms, we have been learning to read the thermometer. We measured the temperatures of cold and hot water, as well as room temperature water. Conducting water experiments was heaps of fun!

Maths Lunch time Club

A huge shout out to our JSC leaders who helped run a Maths lunch time club in celebration of Literacy and Numeracy Week. They did a tremendous job running activities such as hosting a Kahoot quiz, creating and hosting a Blooket quiz, helping create designs with tangrams, creating Multiplication word searches and reading Maths books aloud. Their peers had such a wonderful time. Speaking on behalf of the teachers, we are so blessed to have such wonderful leaders at BPS. Thanks for all your hard work this week! Keep reaching for the stars :)

PREP CHAIN WRITING

Throughout Literacy and Numeracy Week, the Preps wrote a story altogether. PRB started the story, PAM added our problem, PDJ tried to solve the problem and PNB gave it a happy ending! We are so proud of our little superstar authors and check out our amazing illustrations!

Once upon a time there was a powerful princess called Rose. She had a pet baby dragon called Flame who was very cheeky and cute. They lived in a little kingdom filled with flowers and animals.

One day Rose's dangerous step mum, The Evil Sorcerer, became very jealous of Rose. She was ugly on the inside and the outside. She decided to push a big, heavy boulder down the hill to destroy Rose's little kingdom.

Rose and her cheeky pet baby dragon Flame, looked out of the window of her castle and saw the big boulder rolling down the hill. They needed to stop it from reaching the kingdom! Flame flew down towards the boulder and tried to breathe fire to stop it, but the breath wasn't strong enough. Rose saw this and decided that she needs to save the day.

Rose rushed down to the boulder and used her magic to create a powerful super vine. The vine wrapped around the boulder and threw it over the forest and into the Evil Stepmother's house. Rose and Flame threw a big party with the whole kingdom. They did some Just Dance and ate lots of cookies.

They lived happily ever after.

Vocabulary Challenge

Vocabulary is amazing! It helps you become a better reader, writer and communicator. Have a look at the words below and come up with the most **FABULOUS** sentence you can!

The vocabulary challenge words are:

Increase

gets bigger

Cooperate

get along; go along with something

**Vinny
Vocabulary**

Once you have written your **PHENOMENAL** sentence, put it in the box at the office by **THURSDAY SEPTEMBER 8th**. Don't forget to include your full name and grade. The winning sentence will be read out at assembly on **MONDAY SEPTEMBER 12th**.

Good Luck and Happy Vocabulary-ing

Chinese Role play

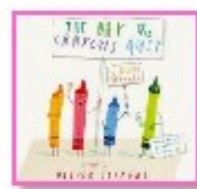

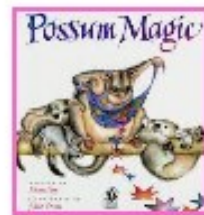

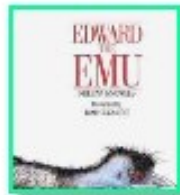

The Grade 5/6 students have been working with partners to conduct a role play about shopping for clothes in Mandarin. They have demonstrated good performing skills during this activity.

1,2,3,4... This is the bOOk that we adOre!

Well done to everybody that had a go at guessing our favourite books. Here are the answers. Make sure you let your teacher know how you went!

CHESS TOURNAMENTS

FACE TO FACE PRIMARY INTERSCHOOL CHESS

Northern Star Chess is delighted this year to be back to running all of our interschool chess tournaments face to face at physical venues. The following Primary Zonal tournaments are still coming up in Term 3:

Primary Open (Prep to Y6)

- ♦ Tuesday 6th September - Alphington Grammar, Alphington
- ♦ Thursday 8th September - Hampton Park PS, Hampton Park

Time: 9:30am to 2pm approx

Cost: \$25 per student

Everybody plays 7 games of chess, win or lose. 15mins per player on the clocks

Medals in year level categories

Qualifications by individual score for State Finals Series in Term 4

BOOK EARLY! Venue capacities may still be somewhat reduced in accordance with Covid-19 policies. To book a place email Pearl pearl@NorthernStarChess.com or call on **0407 072 250** or call Tim on **0421 164 677**.

BPS TRIVIA NIGHT

Friday 9th September, 7pm

Tickets \$25 per person (\$200 for a table of 8)

use the following link-

<https://www.trybooking.com/CBVWB>

Purchase your tickets before Friday 26th of August to go into the early bird prize draw!

Bring -all food and drink, gold coins for games

Leave -the stilettos at home!

Music and trivia by local
band -Maxed Out

THE BRIGHTEST DAY AT SCHOOL!

Thank you so much for continuously supporting our school, especially through fundraising. Next term, we are hosting a **Colour Explosion School Fun Run** to raise money for our Playground and outdoor spaces.

Did you know? Students raise 3x times more when they fundraise online! Visit www.australianfundraising.com.au to create your child's cybersafe fundraising profile. Instructions are in your child's sponsorship booklet. You have until 21/10/22 to fundraise, so make sure you get cracking!

The big day is coming! We are so excited to host our Colour Explosion School Fun Run on 21/10/23 from 11:30 to 3:30pm. Parents are invited to attend. On the day, make sure your child brings a white shirt for the Fun Run! They will be covered in non-toxic, high quality colour powder from head to toe! They will also need a water bottle and their hat. Sunscreen also recommended.

How do prizes work? Help your child fundraise more by setting a prize goal online! Students automatically achieve incentive prizes as they fundraise, starting from \$10. The more they raise, the more prizes they receive. Each prize is ordered automatically, so you don't need to worry about prize ordering! You can see what the incentive prizes are in the sponsorship booklet provided.

Share in \$200,000 worth of extra prize credit! Achieve bigger prizes by helping your child earn bonus credit on their online profile. By creating an avatar, sharing your page with friends and reaching milestone donations, you can share in \$200,000 of extra prize credit!

Monstar Madness. There are heaps of prizes you can win when you fun-raise with Monty! Create your fundraising page in the next 7 days, and you will receive a Holographic Monty Sticker! Check out your sponsorship booklet for more awesome Monty prizes up for grabs, like a Monty Plush toy, a bag tag or a high-bounce handball!

Win a \$10,000 JB Hi-Fi Shopping Spree. Do you think you can top our school's leader board? The highest fundraising student in our school will go into the draw to win a \$10,000 JB Hi-Fi Shopping Spree, including your choice of televisions, laptops, phones, home accessories and more! Start fundraising at www.australianfundraising.com.au for your chance to win.

Fund-Razor of the Year Award. Do you think you can top the national leader board? Australia's highest fundraising student in Australia will win a Razor Prize Pack, worth \$3,000!

Thanks in advance for your support, and

Happy Fundraising!

What's been happening...

Recently at OSH...

We have almost made it to the end of term 3. Wow, it has just flown by! As winter ends, we are so excited to welcome the beautiful Spring weather and enjoy the sunshine that we have seen little glimpses of over the past few weeks. We have enjoyed making fun and creative recipes each morning during the Brekkie Bunch campaign.

Some of the fun games that the children have enjoyed playing recently are silent ball, fruit salad and four corners. The group games are so much fun that even the staff join in!

Coming up at OSH...

Spring Holiday program! In two weeks' time we have our holiday program and many exciting days ahead. We will be going to Marvel Stadium to enjoy an AFL excursion, a colour run incursion and many fun theme days and activities. Book your kids in today to enjoy all the fun at OSHClub!

Coming Up...

31st
August

Winter Wonderland

Come and celebrate the last day of winter with some fun activities + snow making

01st
September

Spring Holidays

Join us these school holidays for all the fun! We have excursions, incursions, and theme days to enjoy for two weeks!

Week 1:

M: Run Away to the Circus
T: Coles Healthy Kicks @ Marvel Stadium (excursion)
W: Fidget Frenzy
T: All Things Science (incursion)
F: Public Holiday

Week 2:

M: Rabbit Hole Playcentre (excursion)
T: Pamper Pals
W: It's a Backwards Kind of Day
T: Rainbow Swirl (incursion)
F: If the World was Chocolate

FUN CHESS LESSONS FOR KIDS!

Weekly classes will help improve:

- Creativity
- Memory
- Concentration
- Planning Skills
- Independent Decision Making
- General Aptitude for Learning
- Problem Solving
- Teamwork

An innovative program designed to foster social and emotional development in children. Students will learn that while winning is fun, it isn't everything, and when they lose they must show empathy.

EASY SCHOOL NIGHT DINNER SERIES

COOK TIME
40 Minutes

SERVES
5

SUITABLE FOR
Family Friendly

ONE POT TACO PASTA

INGREDIENTS

- 2 1/2 tps Extra Virgin Olive Oil
- 500 grams Extra Lean Ground Beef
- 4 Green Onion stalks (finely chopped)
- 2 Garlic (cloves, minced)
- 1 tsp Cumin (ground)
- 1 tsp Chili Powder
- 1/4 tsp Sea Salt
- 1 Tomato (large, diced)
- 1 cup Frozen Corn (thawed)
- 1 cup Black Beans (cooked, from the can)
- 1 Red Bell Pepper (diced)
- 2 1/2 cups Chicken Broth
- 1 cup Salsa (low sodium)
- 2 cups Brown Rice Pasta Shells (dry, uncooked)

DIRECTIONS

1. Heat oil in a large frypan with a tight-fitting lid over medium-high heat. Add the beef, and break it up with a wooden spoon or spatula as it cooks. Once it is cooked through, drain any excess liquid.
2. Add onions and garlic to the pan with the beef and cook for 3 to 5 minutes or until onions are soft & translucent.
3. Add cumin, chili powder, salt, diced tomato, corn, black beans and bell pepper to the pot and stir to incorporate. Cook the vegetables for 2 to 3 minutes.
4. Stir in the broth, salsa and pasta. Bring everything to a boil, then cover and reduce heat to medium-low. Simmer for 12 to 15 minutes or until pasta is cooked through and tender. Stir every 3 to 4 minutes as it cooks, to ensure the pasta isn't sticking to the bottom of the pan.
5. Remove from heat, divide into bowls and serve immediately. Enjoy!

TIP - serve with sliced avocado, chopped coriander and sprinkle with cheese.
