

# Student Dress Code Policy

BANYULE PRIMARY SCHOOL

## PURPOSE

The purpose of the Student Dress Code is to outline Banyule Primary School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Banyule Primary School's School Council in consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support Banyule Primary School's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities.
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

The School Council has developed a dress code that we believe provides a range of choices for students and is cost effective for families.

## SCOPE

Students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending school activities.

## UNIFORM AND APPEARANCE

The full list of Banyule Primary School's compulsory school uniform items are available at Appendix A to this policy.

### **General appearance**

While at school, travelling to or from school or participating in school activities, Banyule Primary School students must comply with the following:

- Uniforms must be clean and in good repair
- Uniforms must be clearly marked with the owner's name
- Additional layers of clothing may be worn underneath the uniform for added warmth, provided these undergarments are completely hidden.

### **Jewellery**

- Students are not permitted to wear decorative jewellery to school for health and safety reasons. Stud earrings and sleepers worn in the ears, and watches, are the only acceptable jewellery.

### **Hair and Sun safety**

- Students with shoulder length or longer hair are encouraged to wear it tied back for health and safety reasons.
- School uniform hats must be worn outside from mid-August to 30 April and on any other day prescribed by the school. School uniform hats may also be worn outside of this time period, by parent or student choice.
- Hats are not to be worn inside.
- Students are permitted to wear sunglasses during outdoor activities. Sunglasses should be close-fitting, wrap-around that meet the Australian Standards 1067 and cover as much of the eye area as possible.

## PURCHASE OF UNIFORMS

- Uniform items can be purchased from *A Plus Schoolwear* [www.aplusschoolwear.com.au](http://www.aplusschoolwear.com.au)
- A limited supply of second hand uniforms may be purchased from the school office. Parents should contact the office staff regarding available stock.

### **Support for families experiencing difficulty**

Please contact the Principal or Business Manager to discuss support that we may be able to provide to families experiencing difficulty meeting uniform costs, including information about eligibility for uniform support through State Schools' Relief. Further information about State Schools' Relief is also available on their website: <https://www.ssr.net.au/>

## IMPLEMENTATION

Banyule Primary School will ensure that this Student Dress Code is communicated to all families and students through our website and Parent Information Handbook. We will assist students who may be experiencing difficulties complying with this policy where possible.

- The wearing of school uniform is compulsory for all students except where exemption is given by School Council.
- The school uniform should consist of a combination of items from the designated uniform list.
- Students participating in interschool sport and excursions, or representing the school at outside activities, will wear the appropriate school uniform.
- Special commemorative garment/s will be offered for Year 6 students.
- Parents are responsible for ensuring that children are in the appropriate school uniform.

If a student is out of school uniform or otherwise breaches the Student Dress Code on a recurring basis, a note will be provided to the parents by the classroom teacher. If non-compliance with the dress code becomes a continued occurrence, the Principal will be informed and a phone call home may be required. In this event, the school will continue to work with the student and family to support compliance.

Measures taken by Banyule Primary School to address concerns about student non-compliance with the Student Dress Code will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

## EXEMPTIONS TO STUDENT DRESS CODE

We recognise that there may be situations where the application of this dress code may affect students unequally.

Parents or carers may contact the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the parents/carers
- encourage the parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the parents or carers.
