From the Principal Team

Natalie Shanahan, Sam Fleming, Claire Johnston

Welcome back everyone and welcome to the first newsletter of Term 2!

We hope your Easter break was as productive as the numerous trades that were busy making the most of our empty school over the holidays.

Firstly, our new TigerTurfed basketball court appeared over the break, and we're sure you'll agree it has added quite the wow-factor. Thanks to the NorthEast Link project, dozens of letters of support from our school community and Claire Johnston's outstanding grant-application abilities we have been able to develop another part of our aging school grounds. As you can see in the photos below, it has created a beautiful space for children to play and is getting quite the workout during its first week of operation.

Secondly, the empty school provided the perfect time for our landscapers to move in and help us replace the old retaining wall along Banyule Road and re-open part of our yard that age and erosion had gotten the better of. We are pleased with the finished product and are happy we can provide the students another nice place to spend time with friends through out playtime. These works were entirely school-funded. We look forward to planting out this area later in the term. Stay tuned for information about a working bee coming soon.

Thirdly, we are thrilled that action has ramped up in the final stage landscaping stage of the building program. During the holidays, the building project's landscape team moved in and they've begun reshaping in front of the admin building and begun placing some of the large rocks in the play space. To help you picture what's happening, we'll provide regular updates through photos and landscape plans.

Prep 2026...

We have commenced the initial stages of the enrollment process for 2026 Preps. If you have a younger child starting Prep in 2026 could you please contact the office to collect and enrollment pack.

We'll see you around,

Natalie, Claire and Sam.

Want to see more?

Follow us on our '*socials*' for a window into what we're up to at Banyule Primary School....

What's On

ELECTION DAY DEMOCRACY SAUSAGE & BAKE SALE

Thank you for everyone who has already started baking or acquiring baked goods to deliver to the office tomorrow or the basketball court this Saturday around 8am.

While at the school to vote if you could help out on the BBQ or Bake Sale reach out & thanks so much for all the parents who already have! There are a few volunteers still needed, particularly in the afternoon, so please pop your name in this link or email

BanyulePS.CEC@gmail.com if you can join in:

<https://docs.google.com/document/d/1vhwmzIHd2brXyqYIsIEs5OSUD3stTRylxQ3mRKf6fW4/edit?usp=sharing>

🎵 Student Performers are also welcome at the Election Day event 🎸 to showcase their talents. Sign up in the above link. 🎤 Whether it's singing, dancing, playing an instrument, or if it's group talent ready to jam – we'd love to have you perform! 🎉🎹

Look forward to seeing you Saturday and please share this event with neighbours or local groups (WhatsApp or Facebook). All funds raised will be going towards nature spaces for our kids to play, learn and grow within.

March 2025

Dear School Families,

We hope this message finds you well. We would like to extend our sincere apologies for the delays in the delivery of school uniforms and backorders that some families are experiencing. We understand how important it is for students to have their uniforms, and we truly appreciate your patience during this time.

The unexpected surge in demand, largely driven by the government's "state school bonus," has led to a significant increase in purchases, depleting our stock at a much faster rate than anticipated. As a result, we have faced challenges with our resources, including fabric, trims, and production lines, which have been stretched to their limits. Our dedicated team has been working overtime to keep up with demand and continue to maintain the high quality that A Plus Schoolwear is known for.

To address these issues, we have employed additional staff and are working closely with our suppliers to meet the ongoing needs for uniform production and delivery. We are committed to catching up and getting back on track as quickly as possible. Our goal is to be fully up to date by Term 2, and we are actively working towards that timeline.

We greatly appreciate your understanding and patience as we navigate these challenges. Please rest assured that we will reach out to each family individually to inform you when your order is ready for pickup from the uniform shop. In the meantime, we kindly ask for your continued support in informing the wider school community about the current uniform situation and encourage everyone to show patience and kindness towards our staff at A Plus Schoolwear.

Once again, we apologise for any inconvenience this may have caused and thank you for your understanding as we work diligently to resolve the matter.

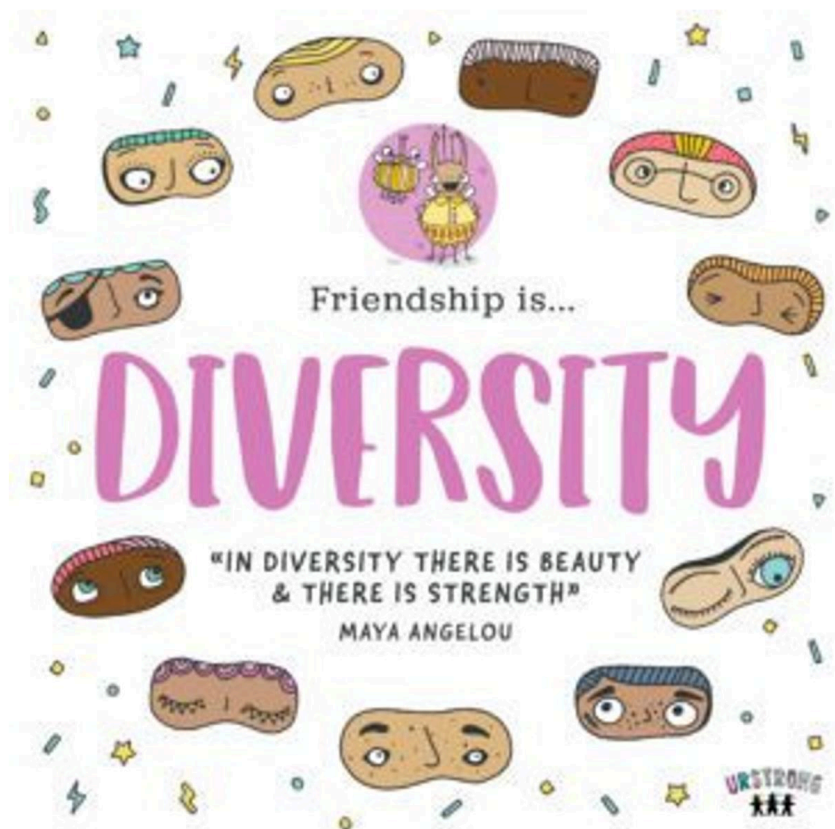

Sincerely,
Mr. Peter Kisvarda
Managing Director
A Plus Schoolwear

This month, the UR Strong program is shining the light on **DIVERSITY** – a celebration of all the wonderful differences between us that make the world a better place!

**Remind your children of Friendship Fact #2:
Every friendship is different!**

“You’re not the same as your friends & you’re not supposed to be!”
It’s time to celebrate our differences!

Year 2 Community

YEAR 2 ANZAC DAY COMMEMORATIONS

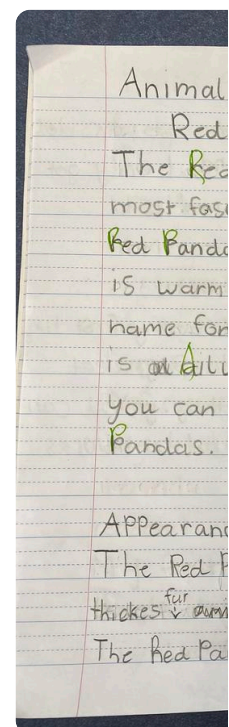

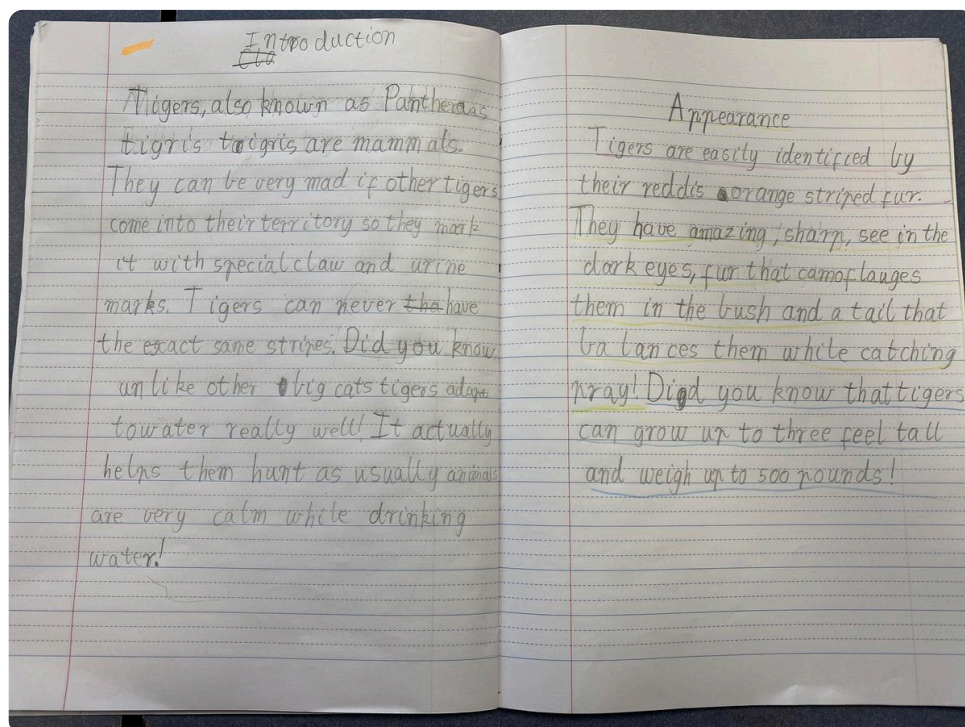

Year 2 students spent sometime last Thursday to reflect upon and commemorate ANZAC day. After watching videos on the original ANZAC's, then reading about the history of ANZAC day, all students completed a related art activity.

Year 3 Community

To begin Term 2, the Year 3 students have been learning all about information reports. They have been spending some time researching and writing about an animal of their choice. We have been using a 'Bump it Up' wall to help students identify how they can 'Bump it Up' to their next level. Here are some samples of their work so far:

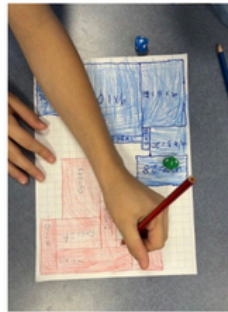

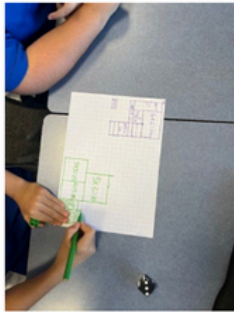

Year 4 Community

Multiplication Array Battles!

As part of learning and developing their multiplication knowledge, the Year 4 students recently played Array Battles. After rolling two dice, students would make an array on their game board using those numbers.

Array Battles allowed students to explore the relationship between making arrays and multiplication facts. It also encouraged problem solving and reasoning, with students needing to carefully consider strategies to block their opponents moves.

Students enjoyed this hands-on approach to learning about multiplication!

Year 5 Community

Thank you!

FROM THE JSC LEADERS

A BIG THANK YOU TO OUR BPS SCHOOL
COMMUNITY FOR THEIR GENEROUS DONATIONS
ON THE LAST DAY OF TERM 1.

WE RAISED A TOTAL OF \$607, WHICH WAS
DONATED TO THE GOOD FRIDAY APPEAL

Specialist Programs

P-2 TERM 2 Newsletter

STEAM with Mrs Nedelkos

This term in STEAM, the Prep, Year 1 and Year 2 students will explore the topic 'Colour and Light'. They will participate in a range of science experiments to understand how light works, including investigating how light can be split into different colours to create a rainbow. The students will investigate Primary and Secondary colours through colour mixing activities and will develop an understanding of warm and cool colours. This term, we will spend lots of time creating our own unique artworks that focus on using different colours in effective ways.

PERFORMING ARTS with Miss Blacker

This term in Performing Arts, the Prep, Year 1 and Year 2 students will be focusing on music and its various elements. Prep students will explore Aboriginal and Torres Strait Islander culture and how they celebrate through traditional musical instruments such as clapsticks (Bilma). Year 1 students will be introduced to a variety of instruments including the glockenspiel, where they will be able to experiment and practise playing along to a variety of songs and rhymes. Year 2 students will experiment with 'Body Percussion' and will learn to play Boomwhackers. They will also learn, rehearse and perform a song and dance item.

LOTE with Fang Lǎoshī

This term in LOTE, Prep and Year 1 students will explore the topic 'Colour and My Family.' Year 2 students will be focusing on the story 'The Very Hungry Caterpillar' which includes themes of fruit and weekdays. They will engage in various activities, including songs and actions to help them memorise vocabulary and sentence structures related to the topics. Additionally, they will be introduced to Chinese characters and encouraged to practice them during classwork.

PHYSICAL EDUCATION with Mrs Christofis

In Term 2, the Prep students will continue to learn the correct technique for performing the Fundamental Movement Skills of underarm throwing and overarm throwing, rolling, bouncing, running, skipping and hopping. In Health, the Preps will learn about community helpers and health symbols in the community. They will also explore feelings and emotions and continue to learn about healthy habits. In Term 2, the Year 1 and 2 students will continue to revise some of the Fundamental Movement Skills they learnt in previous years. The skills covered this Semester are hopping, skipping, jumping, leaping, dodging, running, skipping with a rope. In Health, the Year 1 and 2 students will continue to explore the human body. The Year 2s will work towards creating an Information Report about the human body and will learn about the different systems in the body ie. The respiratory, circulatory and the digestive system.

3-6 TERM 2 Newsletter

VISUAL ARTS with Ms Rawlinson

Term 2 in the Art Room: Exploring Identity

This term, students will explore the theme of 'Identity' through a series of engaging and creative self-portrait projects. These lessons will not only develop their drawing skills but also encourage them to think outside the box in representing themselves in unique and artistic ways.

Additionally, we will be working on our annual self-portrait project, 'A Sketch in Time.' This cherished tradition, completed by students from Prep to Grade 6, captures their artistic growth over the years. The collection of these beautiful portraits is presented to students at their Grade 6 graduation, making it a meaningful keepsake of their journey.

PERFORMING ARTS with Miss Daniel

This term in Performing Arts Year 3 and 4 students will explore music theory. They will learn about different music notes and their values, compose music consisting of different rhythms and pitch, and perform their rhythms using body percussion and classroom instruments.

Students will respond to music through various listening activities, and research and compare music from other times and locations.

Year 5 and 6 students will explore music practice. They will study the elements of music and apply their knowledge through listening tasks and rhythm notation.

Students will be introduced to the ukulele and begin to play chords focusing on correct finger placement and strumming pattern. Then students will explore African Drumming practices using class djembe drums and will learn different beats and rhythms using correct hand technique.

LOTE with Xu Lǎoshī

This term, Year 3 and 4 students will systematically learn and apply 'Pinyin' in reading and speaking Chinese words (a phonic system of pronouncing Chinese). They will also be introduced to the topic of 'Nations and Nationalities' in which they will share their identity in Chinese.

Year 5 and 6 students will explore the topic of 'Places and Direction'. They will create a map which includes places we learn and practise writing words in Chinese. Students will conduct simple conversations about describing the directions and locations of places.

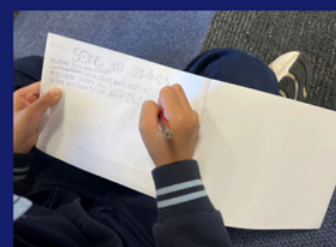

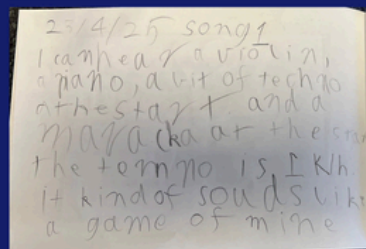

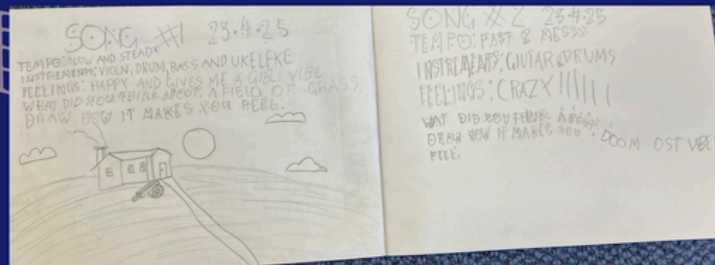

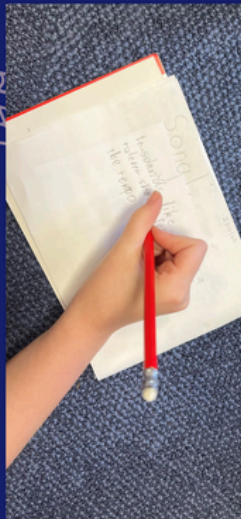

PHYSICAL EDUCATION with Mr Nedelkos

Early in Term 2, the Year 3-6 students will focus on Cross Country practise to prepare them for our Banyule Cross Country. This will be occurring at Banyule Flats on Thursday May 1st. The students in the 9/10 Y.O age groups will be completing a 2km course and the 11 Y.O and 12/13 Y.O age groups will be completing a 3km course. The top 12 students of each gender and age group will compete at the District Cross Country at Banyule Flats on Tuesday 20th May. For the remainder of Term 2, Students will learn different skills and techniques through a variety of different sports. The aim is for the students to practise many of the game skills acquired for a certain sport, then build up to putting all of those skills in different games with their peers.

PERFORMING ARTS

The Grade 3 and 4 students have started the term by listening and responding to different genres of music.

PERFORMING ARTS

We have had a fabulous start to Term 2 in Performing Arts. Students have been having lots of fun dancing, singing and playing games to help develop their drama skills.

They have worked in small groups to play charades, perform simple choreography and discuss their musical preferences.

I'm looking forward to having more fun this term!

Northern Star Chess - Interschool Zonal Chess tournament 17 June

Northern Star Chess is proud to be conducting a full program of face to face zonal tournaments this year for Primary and Secondary School students. We would like to invite your child(ren) to participate in the tournament detailed below. Many of our tournaments do fill up, and we recommend early bookings for this or other events

Our Chess tournaments are individual-based events. If your child is not participating with a team from their school, they can still qualify for the state level events. Emphasis is on participation and the opportunity to experience tournament conditions.

The top 30% of all students at this tournament qualify to represent your school at the NSC Victorian Schools State Final series, which is conducted by Northern Star Chess in term 4.

Tuesday 17 June at Viewbank Primary School – Primary Open Zonal

Address: Nevin Parade, Viewbank

Time: 9:30 am – 2:15 pm (approx)

Cost: The cost per student is \$25.
(Payment by cash at sign in on the day)

Please Note: It is up to the parent to liaise with their child's school regarding taking the day off for the event.

Format:

- Individual based tournament
- Every student plays 7 games against players of similar skill, regardless of how many games they win or lose (Swiss pairing method)
- Students experience proper tournament rules
- Gold/Silver/Bronze medals awarded to various grade/year level categories
- "Star of the tournament" trophy for top scorer of the day
- Table prizes/giveaways.
- Northern Star Chess State Final or Semi-final qualifications announced at the end of tournament based on results for the day.

How to register:

Register online for free with Trybooking.com using any of the methods below:

1. **Scan QR code** for booking page
2. **[Click on this link](#)** for booking page (if you see a clickable link)

About the programs – general information

Junior Chess Club (JCC) – 1:00pm to 2:30pm

- Multiple groups catering for Beginners to Advanced students.
- Experienced, Engaging, Fun Expert Coaches
- Training for enjoyment and rapid improvement
- Focus on tactics training

The Northern Star Chess Sunday program has been specifically designed to develop the 3 most important brain skills for long term chess progress:

1. **Mental Discipline**, the willingness to be patient, careful and thoughtful
2. **Forward calculation**, visualising and assessing positions a few moves ahead
3. **Pattern recognition**, to improve instincts and subconsciously recognise opportunities and the right moment to pause and calculate.

Junior Tournament Squad (JTS) – 2:30pm to 4pm approx

- This program is conducted exclusively on site. The JTS program is most beneficial to the students when delivered face-to-face.
- Open to NSC Sunday Junior Chess Club participants as an extension program. (external students also welcome)
- Suited to young chess players whose skills are progressing and who wish to learn to play in chess tournaments over longer time limits

What:	Why?
<ul style="list-style-type: none">• Expert chess tournament training and advice on chess tournament performance• A Junior Tournament Squad Event of 9 rounds during the term• Time control is 25 mins per player plus 10 seconds added each move.• Players record their games on a score sheet• Opportunities to have games analysed with a coach• Chess puzzle training available as players finish their first games and waiting for the next round.	<ul style="list-style-type: none">• Experience full tournament conditions and recording moves• Get more out of your brain by playing over longer time limits• Learn Mental Discipline and Impulse Control at the chess board• Learn to recognise the right time to pause and calculate• Learn the art of taking calculated risks• Develop important habits of mind by engaging in chess tournament play.
