

verse 1

We have the chance to turn the pages over
We can write what we wanna write
We gotta make ends meet, before we get much older

pre-chorus

*We're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?*

chorus

**You're the voice, try and understand it
Make a noise and make it clear
We're not gonna sit in silence
We're not gonna live with fear**

verse 2

This time, we know we all can stand together
With the power to be powerful
Believing that we can make it better
