

Look around everywhere you turn is heartache  
It's everywhere that you go  
You try everything you can to escape  
The pain of life that you know

When all else fails and you long to be  
Something better than you are today  
I know a place where you can get away  
It's called a dance floor, and here's what it's for, so

**Come on, vogue**  
**Let your body move to the music**  
**Hey, hey, hey**  
**Come on, vogue**  
**Let your body go with the flow**  
**You know you can do it**

All you need is your own imagination  
So use it that's what it's for  
Go inside, for your finest inspiration  
Your dreams will open the door

It makes no difference if you're black or white  
If you're a boy or a girl  
If the music's pumping it will give you new life  
You're a superstar, yes, that's what you are, you know it

## **CHORUS**

*Beauty's where you find it*  
*Not just where you bump and grind it*  
*Soul is in the musical*  
*That's where I feel so beautiful*  
*Magical, life's a ball*  
*So get up on the dance floor*

**CHORUS** (Freeze on “Vogue”)
